# Certification and Diploma

Along with TechClass certification, we offer the chance to gain internationally recognized qualifications via our Finnish university partners. Our eLearning programs align with global standards and prepare you for the digital future.

We provide courses with European Credit Transfer and Accumulation System (ECTS) certifications, which enhance educational flexibility by allowing credit transfer between institutions.

This exceptional opportunity is open to all our university partners. Utilize our eLearning services and offer ECTS to your students, showcasing your dedication to high-quality, adaptable education.

# Students Testimonials

*Hear from our students that how TechClass transformed their learning experience and helped them achieve their goals.*

**Elina Sumén**

Metropolia UAS

The training are easy to follow and covered a good amount of knowledge. I found the assignments very useful; it was great to use the knowledge in practice right away.

**Vladimir Miskovic**

Laurea UAS

TechClass is an intuitive, convenient and efficient online platform. It makes online learning easier and faster, especially when it comes to AI and programming.

**Anna Kurmaeva**

Laurea UAS

The platform is flexible and allows to do assignments at my own pace. The information is very well structured and leads a student throughout the studies.

**Csépke Csilla**

Metropolia UAS

The training were awesome. I am studying software development in aiukuisopisto, and I think TechClass courses helped me a lot to get the study place.

A group of four diverse professionals (two men and two women) smiling and standing together in front of a blurred city background. The man on the far left has grey hair and glasses, wearing a blue blazer. The woman next to him has long brown hair and is wearing a dark blue sweater. The woman in the center has dark hair pulled back and is wearing a grey knit top. The man on the far right has a beard and is wearing a grey blazer over a white sweater.
